Turn your Wedding into reality, with

Wedding Champs

About Us

Premier Wedding Planning Destination: Wedding Champs, your one-stop solution for seamless and unforgettable wedding planning, making your journey stress-free and a memorable experience.

Comprehensive Services: We offer a full range of services ensuring every aspect of your wedding is tailor made and made just for your wedding.

Expertise and Experience: With 8+ years in the wedding industry, you can trust our expertise & dedication to making your special day flawless.

Wedding Planning Package

Wedding Venues: Get assistance in finding your perfect venue anywhere in the UAE. We share with you multiple venues and share quotes in your provided budget to help you select.

Wedding Decor: You get to choose from the past decor theme ideas, or give your new ones and we help you envision them. We cater your needs according to your budget and with the best service all the way

Other Wedding Services: We also help you find make-up artists, DJs, other entertainers all at a much lower price as these are already our reputable vendors

Package 1

AED 2000 Wedding Planning Includes :

- Consultation on wedding executions
- Venue options with quotes and communication with hotel till deal is finalized (5-7 venues)
- Quotes from decorators as per given details (Top 5)
- Entertainment Ideas (Top 5)
- Quotes from Photographer + videographer (Top 5)
- Simple wedding invite x 2 versions
- We will help you close all the above, however we will not be managing your event. We will be working as a middleman between you and the other vendors
- If your event is more than AED 40K (minus the venue), the 2k will be adjusted with your final bill.

Package 2

10% Fee from Wedding Planning includes:

- If you want full management services, the Fee will be 10% of the total event value (with 2k advance payment which will be adjusted in the final bill later), which includes the following services:
- Start to end planning, designing, managing, executing.
- Venue options and venue selection (Top 10 options)
- Decor mood boards (Themes & concepts for each event) + layout planning of the venue
- Management & coordination on the day of event, with support staff (additional staff might be needed depending on the size of the event)
- Negotiations of contracts & coordination with all vendors on your behalf
- Best options for services like make-up artists, wedding stationary, invite designing, shadow services, etc.
- Coordination with hotel and transport company (if any)

Did these questions ring a bell in your mind?

Send us the answers on hello@weddingchamps.com

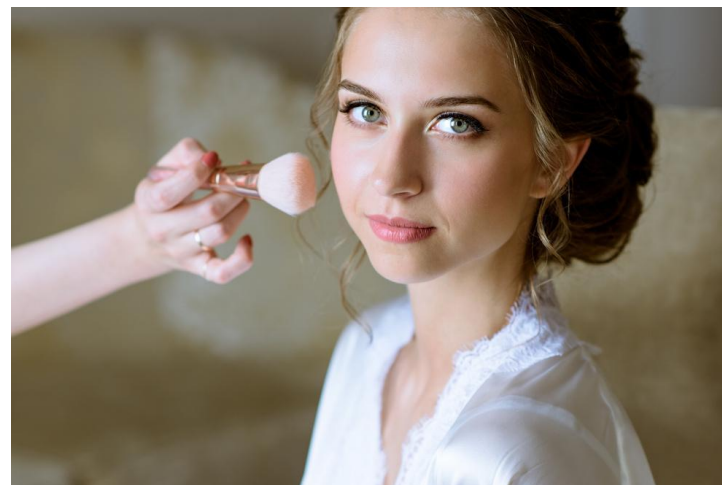

- Date? Is the date flexible?
- Location?
- Which Emirates?
- Indoor, outdoor or mix? Garden, beach, hall?
- Food and Beverages
Alcohol? No alcohol?
Set menu? Buffet?
(set menu is only for a smaller crowd)
What kind of food? Arab, international?
- Would a restaurant vibe or roof top work?
- What type of wedding is it?
Do you need a stage? Or sweetheart table?
Entrance? Welcome board?
Are you looking for artificial flowers or real? (we always suggest real for the tables & the other can be a mix or all artificial)
- What other services are you looking for?
DJ? Emcee? Backdrop?
- Do you also want instant photos for your guests with the photobooth?

With our expert wedding planners, we'll turn your vision into a reality.
